Join Team WE CARE In Raising Funds to Cure Blood Cancer

Saturday, October 21, 2017 - 5:30 PM

Eisenhower Park in East Meadow

The Leukemia & Lymphoma Society's Light The Night Walk funds treatments that are saving the lives of patients today. LLS is making cures happen by providing patient support services, advocating for lifesaving treatments and pioneering the most promising cancer research anywhere. And it's all happening now. Not someday, but today. Each year friends, families and coworkers form teams to raise money in support of our mission.

Questions: Contact Dana Finkelstein at (516) 280-7105 or dfinkelstein@blodnickfaziolaw.com
