

Nassau County Supreme Court Mat Center Update
3/20/20

The Court will only be hearing emergency essential applications in the Supreme Court part located in the County Court building. Attorneys are requested to forward their papers by email to myself and my law clerk before they travel to the courthouse. Attorneys are not precluded from bringing their applications first in person but we would greatly appreciate if the parties send their papers first to be reviewed by myself and the Chief Clerk to avoid unnecessary travel to the courthouse. Please include the names, emails and phone numbers of all attorneys on the matter.

Judge Goodstein – jgoodste@nycourts.gov

Steven Maffei – smaffei@nycourts.gov

Additionally, please try to commence all new actions by e-filing in order to avoid unnecessary trips to the County Clerk's office.
