

John J. Caravella, Esq.

Educational Background:

State University of New York, Assoc. of Construction Tech
New York Institute of Technology, BS
Nova Southeastern University, JD

Experience:

Prosecutions of architectural arbitration claims primarily under contracts for professional services. Arbitration of these claims were document intensive and required several motions and conferences in advance of the hearing. Ultimate success in obtaining favorable awards based on proper evidence theories demonstrating architectural client's full performance and entitlement to compensation. Served as sole arbitrator in several contractor/homeowner arbitration matters. Served as sole arbitrator in international green energy dispute. Appointed as a panel arbitrator to a \$4M complex construction arbitration.
