

## **Joseph S. Maniscalco, Esq.**

### **Educational Background:**

Hofstra University School of Law, Juris Doctorate,  
1992-1995

Fordham University, B.A., Journalism, 1988-1992

Chaminade High School, 1984-1988

### **Experience:**

Mediator Experience: I have over ten (10) years' experience in conducting and participating in mediations. I believe that my practical experience as a bankruptcy litigator representing Trustees has assisted in understanding the importance of the dispute resolution process.

Representative Issues Handled as a Mediator: I have handled bankruptcy issues, debtor/creditor, business disputes and real estate matters.

### **ADR Philosophy:**

"I am an avid advocate of alternative dispute resolution. Being a litigator for over twenty-five (25) years, I have witnessed the litigation cost and emotional toll it can take on people. In the end, most cases eventually get resolved anyway. The mediation process allows people to freely express their feelings and positions in a more relaxed environment."
